POPE FRANCIS SAYS: In today's gospel 'the little girl's father and the sick woman are not disciples of Jesus yet they are satisfied through their faith. They have faith in that man. From this we understand that all are permitted on the Lord's path: no one should feel as an intruder, an interloper or one who has no right. To have access to His heart, to Jesus' heart, there is only one requirement: to feel in need of healing and to entrust yourself to Him. I ask you: do each of you feel that you need to be healed? Of something, of some sin, of some problem? And, if you feel this, do you have faith in Jesus?'
Pope Francis, [Angelus](#), 1 July 2018
